Internal Auditor's Report

The internal auditor's report sent to the external auditors was not factually correct. The internal auditor answered yes to test box F for petty cash. The correct response is not covered.

The Council should ensure that the internal auditor's report is reviewed before sending the document to the external auditors. The Council should minute this process. If there are any errors in the report it should either be amended by the Internal Auditor or the Council should provide an explanation for the error.
